

# What do you think **THEY** know that **YOU** don't?

## We Speak Franchising

- **Experienced at herding cats:** we know how to influence independent franchises to buy into a program.
- **You own the number:** As FranGuard® compliant, we know what you should control and what you shouldn't as a franchisor.
- **We protect you** from fad-of-the-moment gadgets and technology distractions.
- **We constantly monitor** franchising best practices and legal snares so you can safely surpass competitors.

## Increase Unit Profitability

- **Knowledge is power** and we put it at every owner's fingertips with our 360° Call Insights Dashboard.
- **Know what's working:** Pinpoint in real time the best performing units and those that need coaching.
- **Know the brand experience:** listen to the experience customers are receiving at any location.
- **Know what's driving leads:** see and compare the performance of each marketing number in each media used.

## Certified Support

- **System Wide telecommunications training,** optimization and management.
- **Ongoing training** for your home office and franchise teams.
- **We're not just friendly,** all agents are technically certified and available 24/7.
- **Support:** So the franchisors phone doesn't ring because we are that good.
